Initial Consultation

Initial consultation is **not** required if you obtained referral letter from your GP. Please let our friendly Reception staff know which pathology company you used for your recent pathology test so that we can download your results for our doctor to review.

Arrival

Please arrive 10 minutes early to your appointment time at the medical centre so that it gives us an opportunity to complete any of your missing details.

If you are buying a Ferinject from Priceline Pharmacy downstairs, please arrive 20 minutes early to the shopping complex so you have enough time to purchase the Ferinject prior to your appointment. It's always best to call pharmacy on 07 3831 3331 prior to ensure they have sufficient stock.

Duration

The duration of the procedure is 1 hour, therefore, please allocate time accordingly.

Our fee for Iron Infusion is \$200. If you have a valid Medicare card, the rebate is \$73.95

The rebate can be processed and deposited back in your bank account at the time of payment using our Tyro facility. Please note to process the rebate back from Tyro, we require a Cheque or Saving account on your card. Otherwise, we can send through the claim online to Medicare which takes up to 48 business hours to process. Alternatively, you can claim the rebate yourself.
